**GAWDA Gives Back** continues to support local charities in the Annual Convention host city. Since its inception 15 years ago, GAWDA members have generously donated over 1.4 million dollars. In doing so, they have made it possible to impact the lives of thousands of people throughout the United States.

**Support The Enlisted Project's** mission is to provide emergency financial and transition assistance grants to active duty and recently discharged enlisted military and their families. Support The Enlisted Project (STEP) provides emergency assistance from their headquarters in

San Diego to eligible active duty service members, those whom have been honorably discharged for 12 months or less, and their families residing in the Southern California counties of San Diego, Orange, Los Angeles, Ventura, San Bernardino, Riverside, and Imperial. STEP also offers a range of complimentary family support programs that boost morale and provide military families with unique opportunities to bond and receive valuable products and services. Whenever STEP cannot meet a verified need, case managers serve as a personal liaison between the families and other community organizations that can provide assistance. These partnerships prevent duplicated efforts and ensure that military and veteran families always have a strong support system and the resources available to satisfy their needs.

Participant	\$50

**FREEDOM STATION**

**Freedom Station** will be the leader in providing temporary lodging facilities, as well as educational and career guidance to our nation's injured and disabled military heroes who are medically retired or discharged. Freedom Station will aid them as they begin the transition from defenders of freedom to productive members of

America's civilian work force. Freedom Station will also enable personal interaction between military warriors and uniquely qualified volunteers and professionals who can assist them with many of the challenges they will face during the transition to civilian life. Freedom Station vows to be the hand up and not a hand out. The Board of Directors of Freedom Station would like to thank you for your contributions toward making Freedom Station a reality. Your support allows Freedom Station to help serve those who have so bravely and selflessly served and defended us. Freedom Station - a support center to assist with the transition back into civilian life opened on May 27th, 2011.
