

CAVAGNA GROUP
09/01/2017
SAFETY WARNING
IMPACTING
ALL GAS EQUIPMENT

The devastation caused by Hurricane Harvey may have damaged your gas equipment, including your Cavagna Group products (e.g. OMECA, PERGOLA, RECA, and KOSAN brands). The following contaminants in flood waters can prevent proper and safe functioning of your regulators, valves and other gas equipment:

- Flood Waters
- Mud
- Fresh and Salt Water
- Debris
- Fuels
- Other Chemicals

! WARNING

EXPLOSION AND FIRE HAZARD

ANY GAS EQUIPMENT THAT HAS BEEN SUBMERGED OR OTHERWISE EXPOSED TO ANY ENVIRONMENTAL AFFECTS OF HURRICANE HARVEY MUST BE PROMPTLY REMOVED, SCRAPPED AND REPLACED.

**DO NOT USE YOUR GAS EQUIPMENT
CALL YOUR GAS COMPANY IMMEDIATELY**

! WARNING

EXPLOSION AND FIRE HAZARD

IF YOU SMELL GAS, EVACUATE THE PREMISES IMMEDIATELY

EXTINGUISH ALL FLAMES, AND DO NOT OPERATE LIGHTS, LIGHT SWITCHES, APPLIANCES, TELEPHONES OR CELL PHONES

CALL 911 OR YOUR GAS COMPANY FROM A NEIGHBOR'S HOME OR FAR AWAY FROM YOUR PREMISES
