GAWDA President Ned Lane and his wife Jo Ann have selected **Mary's Place** and **Ronald McDonald House Seattle** as recipients of donations from the 2018 GAWDA Gives Back Program. Donations from the Gives Back campaign will fund specific projects at both charities..

Mary's Place - is the leading voice for homeless women, children and families in emergency situations. They help families reclaim their lives and provide practical tools and resources that help them find housing and employment. Funds from the Gives Back campaign will be used to purchase additional beds and expand another shelter area to help more families.

Ronald McDonald House Seattle – provides a temporary home for families with very ill children. Their goal is to help families focus on their child's healing. Families are provided a home with prepared meals, dining area, living rooms, computer rooms, laundry and many other amenities. Funds from the Gives Back campaign will be used to help expand the kitchen to incorporate commercial appliances to feed more families and run more efficiently.
