GAWDA President Brad Peterson and his wife Gaby have selected [Community Lodgings](#) and [Our Military Kids](#) as recipients of donations from the 2019 GAWDA Gives Back Program. Donations from the Gives Back campaign will fund specific projects at both charities.

**Community Lodgings** – This group was founded in 1987 by a group of eight churches. At the time, the need was to provide shelter for the homeless, so the churches came together to buy three properties. They continue to own those properties to this day, but the mission of the organization has greatly expanded. In addition to providing below-market housing on a rental basis, the group provides for the greater family and community need in helping to educate and lift people out of the cycle of poverty.

**Our Military Kids** – This organization provides scholarships to children of military members who are deployed or hospitalized, for extra-curricular activities. These activities help the children focus on something other than their parents’ absence or disability and keep them connected to “regular” kids and activities. These scholarships might provide the opportunity for a camp, for karate lessons, or for some other “normal” activity.
