THE PRESIDENT

Gaby and I would like to cordially invite you to our nation's capital for the 2019 GAWDA Annual Convention. In addition to great meeting content, you'll be able to see the White House, the Capitol, the Washington, Lincoln and Jefferson monuments, the Smithsonian Institution, the National Mall, the Vietnam Veteran's Memorial, and lots more of our nation's heritage and institutions. Please plan to come early, stay late, or do both...you won't regret the investment of your time.

We're starting off with a reception on Saturday night, Sept 28th. The reception will be in our host hotel, the Marriott Marquis...which is relatively new and very elegant. On Sunday, we'll have business meetings in the morning, with your afternoon free for tours and the evening available for hospitality. On Monday, we'll do our contact booth program in the morning, again leaving the afternoon and evening free for tours and events. Tuesday we'll close our general session at noon, with the farewell gala in the evening at the National Building Museum. This is an interesting venue, as it was originally built to house the Pension Bureau after the Civil War. It's been the site of many presidential inaugural balls.

Our speakers this year run a long gamut from inspirational to industry specific to general economic information. Admiral William McRaven (of *Make Your Bed* fame), will start us off, followed by Brian Beaulieu of ITR Economics. On the last day we'll hear from Phil Kornbluth on the latest in the helium saga, and from Don McMillian, a noted futurist with an engineering background.

In addition to meeting content and touring opportunities, you'll be able to support two very worthy charities. Gaby and I have chosen Our **Military Kids and Community Lodgings** as this year's two recipients. Our Military Kids provides scholarships for extra-curricular activities to help kids lead a more normal life while their parent is deployed or hospitalized. And Community Lodgings provides below-market rental housing in Arlington, with classes and after-school care to help lift families and individuals out of the cycle of poverty. Gaby and I have personally visited both of these organizations and can vouch for their integrity.

Please plan to join us, and by all means contact your senator or representative and ask for an office visit or check with the staff person on special tours. You will want to do this ASAP.

See you in DC

Brad and Gaby

GAWDA President Brad Peterson and his wife Gaby have selected Community Lodgings and Our Military Kids as recipients of donations from the 2019 GAWDA Gives Back Program. Donations from the Gives Back campaign will fund specific projects at both charities.

Community Lodgings – This group was founded in 1987 by a group of eight churches. At the time, the need was to provide shelter for the homeless, so the churches came together to buy three properties. They continue to own those properties to this day, but the mission of the organization has greatly expanded. In addition to providing below-market housing on a rental basis, the group provides for the greater family and community need in helping to educate and lift people out of the cycle of poverty.

Our Military Kids – The organization provides scholarships to children of military members who are deployed or hospitalized, for extra-curricular activities. These activities help the children focus on something other than their parents' absence or disability and keep them connected to "regular" kids and activities. These scholarships might provide the opportunity for a camp, for karate lessons, or for some other "normal" activity.
