

# MEMBER GET-A-MEMBER

## GAWDA's Membership Referral Program

People are more likely to join an Association when they are invited by someone they know.

*And we've successfully put that power to work for GAWDA since the launch of our Member Get-A-Member program in 2016!*

**Invite your industry friends, colleagues,  
& business associates to join GAWDA.**

When they join, not only will you be adding great new companies to the GAWDA roster, you will officially become a Sponsor in our Recruitment Recognition Program.

### ***What's in it for you?***

- ✦ **Recognition** -- See your name in Welding & Gases Today
- ✦ **Awards** -- Sponsor the most new members & join our President onstage at the Annual Convention for your plaque
- ✦ **Rewards** -- Receive a \$100 reward for each new Distributor member you sponsor
- ✦ **Exceptional Opportunity** – Great new GAWDA members
